- Please provide nine hot meals catered to the concert venue or provided at a nearby restaurant two hours prior to the start of the concert. There are no dietary restrictions.
- Please provide bottled water and assorted soft drinks and juices in the dressing room/s available during the sound check and concert.
- We greatly appreciate one or two dressing rooms large enough for nine people with lighted mirrors, clothes racks, chairs and restroom facilities in a close proximity to the stage.
- Hotel: We prefer a Hampton Inn-type hotel with free WiFi and breakfast when possible, in close proximity to the performance venue.
